Serguey Braguinsky, 1993. "Monetarism as an Economic Doctrine" (in Russian), *Dengi i Kredit*, January, 29-33.

Serguey Braguinsky, 1991. "The Future of the Soviet Polity, Economy, and Society" (in Japanese), *Sekai Keizai Hyoron*, No. 11, 8-24 (invited lead article).

Teaching

Carnegie Mellon University (2008-2015)

Entrepreneurship (2008, Ph.D. level), Growth, Technological Progress and Development (2009-2014, Ph.D. level), Technology and Economic Growth (2008-2014, M.A. and undergraduate level), Capital, Socialism, and Democracy (2008, undergraduate level), Institutions, Innovations, and Entrepreneurship (2008-2010, M.A. and undergraduate level), Policy Analysis I (2011-2014, undergraduate level)

SUNY Buffalo (2002-2008)

Macroeconomics (M.A. level), Public Finance (M.A. and undergraduate level), Topics in Microeconomics (M.A. and undergraduate level), Industrial Organization (undergraduate level)

Yokohama City University (1991-2000)

International Economics (graduate level), International Economics (undergraduate), Introduction to Microeconomics, Introduction to Macroeconomics

Hitotsubashi University (1996-97)

Comparative Institutions and Political Economy

Ph.D. graduates supervised (if graduated, graduation years in brackets)

Committee chair, responsible for supervising the whole dissertation project: Yu Peng Lin (SUNY Buffalo, 2008).

Committee member, responsible for supervising a major part of the dissertation project: Paul van der Boor (Carnegie Mellon University, 2013), André Regateiro (Carnegie

Mellon University), Atsushi Ohyama (SUNY Buffalo, 2008), Salavat Gabdrakhmanov (University of Chicago, 2007).

Committee member, responsible for general advice and guidance (all Carnegie Mellon University): Andreia Rafael, Guangwei Li, Namho Kwon; Cristina Carias (2013), Cristobal Cheyre (2013), Karla Costa (2013), Ajay Bhaskarabhatla (2011), Chirantan Chatterjee (2011), Marco Vincenzi (2011).

Selected Keynote Presentations, Invited Talks, Editorships, and Peer-Reviewed Conference Presentations:

“History and Nanoeconomics in Strategy Research: Lessons from the Meiji-Era Japanese Cotton Spinning Industry,” presented at the 2015 Empirical Management Conference, December 11, 2015, Stanford, CA (peer-reviewed).

“History and Nanoeconomics in Strategy Research: Lessons from the Meiji-Era Japanese Cotton Spinning Industry,” presented at the NBER Entrepreneurship Workgroup meeting, Boston, MA, December 4, 2015.

“Acquisitions, Productivity, and Profitability: Evidence from the Japanese Cotton Spinning Industry,” presented at the American Economic Association Integration and Management: Theory and Evidence from Around the World Session, Boston, MA, January 4, 2015 (peer-reviewed).

“Acquisitions, Productivity, and Profitability: Evidence from the Japanese Cotton Spinning Industry,” presented at the Society for Economic Dynamics Annual Meeting, Toronto, Canada, June 26, 2014 (peer-reviewed).

“The Evaluation and Reassignment in Science-Based Business: Theory and Evidence,” invited talk at the Stanford University Sixth Annual Conference on Japanese Entrepreneurship, Stanford, CA, June 9, 2014.

“Ownership Turnover, Management Change and Productivity: Evidence from the Japanese Cotton Spinning Industry,” presented at the Finance, Organizations, and Markets Conference, University of Southern California, Los Angeles, CA, December 14, 2013 (peer-reviewed).

“Nano-Economics and Historical Data in Dynamic Capabilities Research: Evidence from the Japanese Cotton Spinning Industry,” invited presentation at the Second CRIOS Conference on Strategy, Organization, Innovation, and Entrepreneurship, Milan, Italy, December 5, 2013.

“Ownership Turnover, Management Change and Productivity: Evidence from the Japanese Cotton Spinning Industry,” presented at the NBER Summer Institute, Boston, MA, July 18, 2013 (peer-reviewed).

“The Incredible Shrinking Portuguese Firm,” presented at the NBER Summer Institute, Boston, MA, July 16, 2013 (peer-reviewed).

“Ownership Turnover, Management Change and Productivity: Evidence from the Japanese Cotton Spinning Industry,” invited talk at the Stanford University Sixth Annual Conference on Japanese Entrepreneurship, Stanford, CA, June 6, 2013.

“An Invitation to Nano-Economics,” invited talk at the 20th annual CCC conference faculty meeting in honor of Steven Klepper, Kansas City, MO, March 22, 2013.

“Ownership Turnover, Management Change and Productivity: Evidence from the Japanese Cotton Spinning Industry,” presented at the American Economic Association Innovation, Productivity and Firms Session, San Diego, CA, January 5, 2013 (peer-reviewed).

“Industry Growth, Ownership Turnover, Productivity, and Profitability,” presented at the NES (New Economic School) 20th Anniversary Conference, Moscow, Russia, December 15, 2012.

“Direct Estimation of Hidden Earnings: Evidence from Administrative Data,” presented at the NBER meeting on Productivity, Innovation and Entrepreneurship, Boston, MA, March 16, 2012 (peer-reviewed).

“Science-Based Business: Knowledge Capital or Entrepreneurial Ability?” presented at the American Economic Association Innovation and Public Policy Session, Chicago, IL, January 8, 2012 (peer-reviewed).

Foreign-Owned Firms and the Culture of Transparency: Evidence From Russian Administrative Data,” presented at the NBER meeting on Causes and Consequences of Corporate Culture, Boston, MA, December 8, 2011 (peer-reviewed).

“Science-Based Business: Knowledge Capital or Entrepreneurial Ability?” presented at Eleventh Annual Roundtable for Engineering Entrepreneurship Research, Georgia Institute of Technology, Atlanta, GA, November 5, 2011 (peer-reviewed).

“Direct Estimation of Hidden Earnings: Evidence from Administrative Data,” invited talk at the Journal of Comparative Economics Conference, Pittsburgh, PA, September 9, 2011.

“Science-Based Business: Knowledge Capital or Entrepreneurial Ability?” presented at the Society for Economic Dynamics Annual Meeting, Ghent, Belgium, July 8, 2011 (peer-reviewed).

“Direct Estimation of Hidden Earnings: Evidence from Administrative Data,” presented at the Association of Public Economic Theory Conference, Bloomington, IN, June 3, 2011 (peer-reviewed).

“High-Tech Entrepreneurship: Matching Ideas and Talent,” invited Presentation at MIT Sloan TIES Group 50th Anniversary Research Conference, Cambridge, MA, April 1, 2011.

“Science-Based Business: Knowledge Capital or Entrepreneurial Ability?” invited presentation at the International Conference on Post-Entry Performance of Firms: Survival, Innovation, and Growth, Osaka, Japan, December 11, 2010.

“Worker Mobility and Growth: The Goose that Laid the Golden Eggs,” invited talk at G-20 panel discussion, held at Carnegie Mellon University, September 21, 2009.

“Schumpeterian Entrepreneurship,” invited presentation, HEC Workshop on Entrepreneurial Entry, Paris, France, September 18, 2009.

“Schumpeterian Entrepreneurship,” presented at the Society for Economic Dynamics Annual Meeting, Istanbul, Turkey, July 3, 2009 (peer-reviewed).

“Disaggregating the Hidden Economy: Evidence From Moscow Incomes and Car Ownership Databases,” presented at the 8th Journées Louis-André Gérard-Varet Conference in Public Economics, Marseille, France, June 17, 2009 (peer-reviewed).

“Firm Heterogeneity, Innovation, and Diffusion: The Role of Market Competition,” invited Presentation, CCC 16th Annual Colloquium, Copenhagen, Denmark, May 15, 2009.

“Schumpeterian Entrepreneur is Alive and Well,” presented at Eighth Annual Roundtable for Engineering Entrepreneurship Research, Georgia Institute of Technology, Atlanta, GA, November 9, 2008 (peer-reviewed).

“Oligarchic Capitalism, or How Russia Intended to Do It Better but Ended Up Doing It As Usual,” invited keynote talk, Discussion Club, St. Louis, MO, April 16, 2008.

“Loans, Grants and After-Graduation Careers: Evidence from SESTAT Data,” presented at the National Science Foundation Workshop “Using Human Resource Data from Science Resources Statistics, National Science Foundation, To Study the Science and Engineering Workforce,” Washington D.C., September 22, 2008 (peer-reviewed).

“The Rise and Fall of Russian Oligarchs: Legitimate and Illegitimate Children of the Praetorian Communism,” invited presentation at the World Bank Conference on the Microeconomics of Growth, Washington, D.C., June 13, 2007.

“Entrepreneurs Versus Paid Workers in the Science and Engineering Workforce—A Study Using SESTAT Restricted Data,” presented at the National Science Foundation Workshop “Using Human Resource Data from Science Resources Statistics, National Science Foundation, To Study the Science and Engineering Workforce,” Washington D.C., October 20, 2006 (peer-reviewed).

“Capital and Growth with Oligarchic Property Rights,” presented at the 10th Annual Conference of the International Society for New Institutional Economics, Boulder, CO, September 23, 2006 (peer-reviewed).

“Oligarchic Property Rights and Russian Transition,” presented at the Society for Economic Dynamics Annual Conference, Vancouver, Canada, July 7, 2006 (peer-reviewed).

“Competitive Innovation and Information Flows Over the Industry Life-Cycle,” invited presentation at “The Evolution of Ideas in Innovation and Entrepreneurship. A conference to Honor Michael Gort’s Contributions,” Washington University, St. Louis, MO, June 11, 2006.

“Capital and Growth with Oligarchic Property Rights,” presented at the Econometric Society World Congress, London, U.K., August 23, 2005 (peer-reviewed).

“Oligarchic Property Rights and Investment,” invited presentation at the Meeting of the McArthur research network on Inequality and Economic Performance: Political Economy in Transition Countries, September 10-11, 2004, Prague, Czech Republic.

“Institutions and Innovation in a Competitive Environment: The Case of Technological Cooperation in the Japanese Cotton Spinning Industry,” presented at the 6th Annual Conference of the International Society for New Institutional Economics, Boston, MA, September 26, 2002 (peer-reviewed).

“Innovation-Led Growth Under Global Competition,” presented at the 76th Annual Conference of the Western Economic Association International, San Francisco, CA, July 6, 2001 (peer-reviewed).

“Entrepreneurial Ability, Market Selection, and Setting Up an Infant Industry: Theory and Evidence from the Japanese Cotton Textile Industry,” presented at the 74th Annual Conference of the Western Economic Association International, San Diego, CA, July 7, 1999 (peer-reviewed).

“The Main-Bank Relationship Revisited – Its Role in Economic Development and Some Current Problems,” invited General Session Talk at the Pacific Rim Allied Economic Organization 3d Biennial Conference, Bangkok, Thailand, January 1998.

“Democracy and Economic Reform,” invited General Session Talk at the 72nd Annual Conference of the Western Economic Association International, Seattle, WA, July 1997.

“Corruption and Economic Growth,” invited General Session Talk at the Pacific Rim Allied Economic Organization 2nd Biennial Conference, Hong Kong, January 12, 1996.

Co-editor, *Industrial Change in China and Russia* (in Japanese), Tokyo, Nihon Hyoronsha, 1996.

“Producers Behavior in a Post-Planned Economy: Theoretical and Empirical Analysis with Special Application to the Russian Economy,” presented at the Annual Conference of the Association of Comparative Economic Studies, San Francisco, CA, January 6, 1996 (peer-reviewed).
